Business Communication and Management - dynamic startup Detmold

ClipHut is a small startup in the heart of East Westphalia-Lippe. With our innovative wood construction system, we stand out from the current standard construction methods and want to ensure a change in the construction industry.

We are a small team of energetic and highly motivated people who want to change the future of construction. We are looking for a personality who takes responsibility and wants to join us in this journey and be the best in their area.

QUALIFICATION

- You have the gift of quickly putting yourself in the shoes of new target groups and identifying their wishes and problems
- You have experience in the startup business and / or a completed master's degree in business administration or comparable
- You are open to new ideas and you can identify with the topic of sustainability
- You have good communication skills and initiative
- Experience in setting up a company is an advantage
- Fluent in German and English language

WHAT DO WE OFFER YOU?

- Family and motivated team with flat hierarchies
- Flexible working hours based on trust
- Independent work
- Insight into the world of company formation
- Possibility of participating in a scholarship

ADDITIONAL ADVANTAGES

- You get access to our network and can make valuable contacts in the startup scene
- Opportunity to co-found

Does this sound like you? Then contact us with a CV and with a letter explaining who you are what you stand for and why you in particular can enrich our team to Mona Makebrandt and Thomaz Vieira at cliphut@outlook.com

We look forward hearing from you!
